

EAST PARK COMMUNITY RULES FOR TENNIS & PICKLEBALL COURTS

(updated March 2020)

- Tennis and Pickleball Courts are for playing tennis and pickleball only. This is to protect the surfaces and equipment. Exceptions require written authorization from the Board of Directors.
- Players must wear tennis shoes or other soft-soled shoes. Black soles are prohibited as they will mar the court surface.
- Wheeled devices like bicycles, tricycles, skateboards, skates, scooters, hoverboards, and the like are not permitted on the courts.
- A member of a homeowner's household must be on the court for all reservations.
- Court reservations may be made online 3 days in advance by either logging on to *Reserve My Court* (www.reservemycourt.com) or calling 1-877-ON-COURT (1-877-662-6878)
- Non-league play is for a maximum of 2 hours or less.
- League play (i.e. Alta, T-2, K-Swiss) must be allowed to complete the match and is exempt from the 2 hour limit (if necessary). Please be courteous to residents who are waiting and update them on the status of matches in progress.
- If playing at night, please turn the lights off after the last players leave the courts, if no one is waiting to play. If fifteen minutes or less is left on the timer, let it run out.
- The following rules were approved by the Board regarding the formation of ALTA Teams at East Park:
 - Maximum of 2 teams per league (*ALTA is the only league currently approved*)
 - New teams must be approved by the tennis committee in advance of roster deadlines.
 - 60% of all teams must be residents.
 - All non-residents must pay a \$25.00 fee/season to play on any East Park Team. *Checks should be collected by the team captain and made payable to the East Park Community Association*
 - Team Captains must identify themselves and submit their rosters & non-resident fees to the Tennis Committee and/or Board of Directors prior to the season.
